

**WARNING:** This File Transfer Protocol (FTP) site is the property of Mitutoyo America Corporation (MAC). Access to the site and accompanying computer systems is forbidden without the express consent of MAC. Disconnect immediately if you have not received the express consent of MAC to access information or files made available through the site. Information or files on this site may contain confidential, proprietary, or copyrighted information belonging to MAC. Unauthorized access to or transfer, disclosure, copying or distribution of information or files available through this site is strictly prohibited, regardless of whether such information or files contain notices of their confidential or copyrighted nature. Violators will be prosecuted to the fullest extent of the law. MAC disclaims all liability, express or implied, with respect to documents made available through this site and assumes no responsibility for the accuracy of information or files uploaded to the site by parties other than MAC. Users represent that information or files uploaded by the user do not infringe on the rights of any third parties. Users assume all liability for any infringement of information or files uploaded as a result of their use of the site. By continuing to enter this site, you affirm that you are in compliance with all federal, state, and local laws applicable to the information and files shared on this site. Further, you agree to comply with MAC's policies and acknowledge that your activity while using the site will be monitored and recorded. If you require access to this site but have not received the express consent of MAC, please contact [trackit@mitutoyo.com](mailto:trackit@mitutoyo.com).

**Furthermore, MAC reserves the right to delete and deny you access to any data, files, and folders that you upload or download from this system at any time.**
